# Eid Ul Azha

Eid is the biggest religious festival for the Muslim. An Eid day means a day of enjoyment and sharing happiness.

As,you are a good programmer you just print "Greetings to all the contestant for upcoming EID Ul AZHA" without quotation.

Java code:

```
class Main
{
    public static void main(String[] args)
    {
      System.out.println("Greetings to all the contestant for upcoming EID Ul
      AZHA");
    }
}
```

**C code:**

```
int main()
{
      printf("Greetings to all the contestant for upcoming EID Ul AZHA\n");
}
```

C++ code:

```
int main()
{
      cout<<"Greetings to all the contestant for upcoming EID Ul AZHA"<<endl;
}
```
